

Tailwheel Tips and Tricks

Some of the most important lessons to be learned in a tail dragger are those lessons on the ground, especially when the wind is blowing. Even if you fly an airplane with the little wheel in front, there is something to be learned in this seminar.

Directions: EAA Pilot Proficiency Center

AirVenture 2016

Venue location: Four Corners (Knapp Street & Celebration Way)

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
